REMEDIAL POLICY

MIC Arts & Science College is committed to supporting students in their academic journey by offering remedial services aimed at helping those who may need extra assistance in foundational subjects. The remedial policy is designed to provide personalized resources, guidance, and academic support to ensure that students build a solid understanding of core subjects before progressing to more advanced coursework.

Purpose

The primary goal of the remedial policy is to assist students who face challenges in foundational subjects, enabling them to strengthen their academic foundation and succeed in subsequent studies.
