5. SCIENTIFIC TEMPER A	ND SECULAR OUTLOOK(STSO)	
5.1 STSO-QL - Initiatives/p	programmes organised/participat	ted by students and faculty of the institutions
reflective of scientific terr	per and secular outlook (details	to be provided)
5.1.1 Write on Initiatives/	programmes on scientific temper	r and secular outlook in about 500 words

On August 15, 2023, NSS volunteers embarked on a historic walk to Pookkottur Gate, commemorating the Malabar Battle's pivotal role in India's independence war. Inaugurated by College Principal Dr. M. Usman, the event unfolded through guided walks, interactive sessions, educational presentations, and cultural performances. The program aimed to enlighten participants about the historical significance of the Malabar region. A tribute ceremony honored those who fought in the battle, fostering remembrance and respect. The walk concluded with refreshments, networking, and closing remarks, leaving a lasting impact on the participants' understanding of India's struggle for independence.

Our college participated in a Kerala government-organized competition on August 15, 2023, creating a compelling Freedom Wall. Governed by provided rules, our student team vividly portrayed India's struggle for independence through visual storytelling. Depicting key events and leaders, our entry highlighted the collective efforts that led to freedom. This pictorial representation not only competed against other colleges but also served as an impactful educational display. The competition showcased our commitment to preserving and sharing India's historical journey, fostering a deeper understanding of independence. The event emphasized the enthusiasm of our college in contributing to historical awareness.

On October 2, 2023, our college organized a screening of the 1982 epic biographical film "Gandhi," directed by Richard Attenborough. This event commemorated the birth anniversary of Mahatma Gandhi, a paramount figure in India's independence movement. The film offered a poignant portrayal of Gandhi's life, his philosophy of nonviolence, and his role in leading India to freedom from British rule in the 20th century. The screening served as an insightful educational tool, fostering a deeper understanding of our nation's history and the enduring principles advocated by Mahatma Gandhi. The event successfully combined entertainment and education in honor of this iconic leader.

5.2 GT-QL- Adoption of green technology (details to be provided)

5.2.1 Write on green technology adopted in your institution in not more than 500 words

MIC has embraced a green initiative by adopting the Moodle system for examinations and assignments. This eco-friendly approach reduces paper usage and environmental impact, aligning with sustainable practices. The transition to a digital platform demonstrates MIC's commitment to environmentally conscious solutions in academic processes.

In addition, MIC further promotes sustainability by implementing the Empase online application for attendance tracking, eliminating the need for paper records. This digitization initiative not only streamlines administrative processes but also contributes to a paperless campus environment, reflecting MIC's dedication to eco-friendly practices and efficient use of technology.
