MAKHDUMIYYA ISLAMIC CULTURAL COMPLEX (MIC)

Pookkottur is a name inscribed in golden letters in the history of Malabar, the erstwhile district of British India. It has a splendid history of patriotism and strong resistance to invasive culture, upholding the values of humanism and universal brotherhood. The region lagged behind in education on account of historical, political, economic and social factors. The Makhdumiyya Islamic Cultural Complex (MIC) was established in 1985 for the empowerment of educationally backward and socially marginalized sections of society by imparting quality education with value orientation and spirit of nationalism. It has set up various institutions offering quality education from kindergarden to Post Graduation open to all irrespective of caste and creed. Various merit cum means scholarships are available to deserving students. The main campus of MIC is situated near NH-213, 12 kms from Malappuram and 35 kms to Calicut. At present more than 3000 students are pursuing their studies in various institutions under MIC of which more than fifty percent are girls. Comfortable and safe accommodation and travel facilities are provided to all needy students

MIC ARTS & SCIENCE COLLEGE

MIC Arts & Science College was established in 2007 with the noble objective of nurturing a Centre of Excellence for higher education in a backward area for the empowerment of students from marginalized sections of society. The college was recognized by the Government of Kerala and affiliated to University of Calicut in 2012. It has now grown into a premier institution with ten under graduate and three post graduate programmes with good infrastructural facilities and indelible track record in academic and co-curricular activities. It has been awarded ISO 9001:2015 certification for quality management in 2022.

VISION

MIC Arts and Science College is envisioned to be an institution of global excellence that transforms backward and marginalized sections of society to meet the challenges of the modern world through value based education that inspires individuals to excellence.

MISSION

To make MIC unique in terms of excellence and inclusiveness by providing opportunities for students and staff for academic, professional and lifelong learning with social commitment and constant drive for professional excellence. The institution is keen on cultivating a passion for the society and love for the Nation along with global competitiveness.

CORE VALUES

- Academic and Professional Excellence
- Professional Ethics
- Multiculturalism
- Democracy
- Secularism
- Inclusiveness
- Gender Equity
- Environmental Sustainability

■ INFRASTRUCTURE

Computer Lab

Our Computer Lab is equipped with modern systems, high-speed internet, and updated software to support academic and research activities. It provides a conducive environment for students to enhance their technical skills through hands-on experience.

Audio Visual Hall

The Audio-Visual Hall is designed for seminars, workshops, and presentations, featuring advanced sound systems, projection facilities, and comfortable seating to enrich the learning experience.

Studio & Virtual Lab

Our Studio and Virtual Lab offer students a dynamic space for multimedia creation, digital editing, and virtual simulations. Equipped with advanced recording tools and specialized software, it supports innovative learning and creative projects.

Psychology Lab

The Psychology Lab provides students with practical training in psychological testing, experiments, and research. It is equipped with standardized tools and materials to support academic exploration and skill development in behavioral sciences.

Football Academy

The Football Academy, in collaboration with Muthoot Football Academy, provides professional training for aspiring players. With expert coaching, modern facilities, and regular tournaments, it nurtures talent and promotes sportsmanship, fitness, and teamwork.~

■ SALIENT FEATURES

SMART CLASSROOMS

Our classrooms are equipped with digital short-throw Smart TVs, enhancing the teaching-learning experience through interactive and tech-enabled instruction.

INTERNSHIP & STARTUP CELL

An Internship & Startup Cell is an important initiative within educational institutions designed to bridge the gap between academic learning and industry expectations. It encourages students to gain practical experience through internships and fosters entrepreneurial spirit by supporting startup initiatives.

STUDENT MENTORING

Dedicated and trained staff provide individual mentoring to students, offering guidance and support in academic and personal matters to help them succeed holistically.

STATIONERY STORE

A campus convenience store provides essential daily-use items and stationery for the students, ensuring easy access to academic supplies.

ED CLUB

The Entrepreneurship Development (ED) Club is an active initiative that aims to nurture entrepreneurial skills and an innovation-driven mindset among students. It seeks to transform young talents into future entrepreneurs by providing them with the necessary knowledge, exposure, and support.

YOUNG INNOVATORS PROGRAMME (YIP)

The Young Innovators Programme (YIP) is an exciting initiative designed to foster a culture of innovation, creativity, and problem-solving among young students. It provides a platform for aspiring innovators to identify real-world problems, develop original solutions, and turn ideas into impactful projects.

IPR CELL

An Intellectual Property Rights (IPR) Cell is an institutional body established to promote awareness and understanding of intellectual property (IP) among students, researchers, and faculty. It plays a critical role in fostering innovation, creativity, and legal protection for original works.

SCHOLARSHIPS

The Institute offers scholarship programs to support and encourage meritorious and economically disadvantaged students. Scholarships are awarded annually based on academic performance and eligibility criteria.

MIC PALLIATIVE UNIT

The MIC Palliative Unit is a compassionate initiative by MIC Arts & Science College aimed at providing support, care, and comfort to patients suffering from serious illnesses and chronic health conditions. Rooted in the values of empathy and social responsibility, the Unit focuses on enhancing the quality of life for patients and their families through a holistic approach.

DISCIPLINARY NORMS

The Sports Academy, established in collaboration with Muthoot Academy, is a significant initiative aimed at promoting excellence in sports along with academic pursuits. This partnership provides students with professional training, world-class facilities, and the opportunity to excel in various sports while maintaining strong academic performance.

MICOSA (MIC Old Students' Association)

MICOSA (MIC Old Students' Association) is the official alumni body of MIC Arts & Science College, dedicated to strengthening the bond between the college and its former students. MICOSA fosters a vibrant community where alumni stay connected, contribute to the college's development, and inspire the next generation of students.

■ SALIENT FEATURES

CELLPHONE POLICY

The use of mobile phones by students is strictly banned on campus at all times.

Violators will face:

- Confiscation of the device
- Fines or further disciplinary action

ACTION AGAINST RAGGING

In compliance with the UGC Regulations (2009) on curbing ragging, any form of ragging is strictly prohibited on campus.

- Ragging is a criminal and non-bailable offence.
- Any such incident will be reported to the police immediately and dealt with seriously.

DRESS CODE

Students are expected to wear neat, modest, and formal attire while on campus. This reflects discipline, professionalism, and respect for the learning environment.

DISASTER RESPONSE GROUP (DRG)

The Disaster Response Group (DRG) at MIC Arts & Science College is a dedicated student-led initiative focused on providing immediate assistance and support during natural or man-made disasters. The DRG is trained to act swiftly, efficiently, and responsibly to help mitigate the impact of disasters on the college community and beyond.

CENTRE FOR COMPETITIVE EXAMINATIONS

The Centre for Competitive Examinations at MIC Arts & Science College is committed to providing students with the best preparation and resources for a wide range of competitive exams. The center offers specialized coaching and guidance to help students succeed in national and international competitive exams, including those for government services, professional certifications, and entrance tests for higher education.

CAREER & PLACEMENT CELL – A BRIEF NOTE

The Career & Placement Cell is an essential support system within the institution, dedicated to preparing students for successful professional careers. It bridges the gap between academic learning and industry requirements by providing career guidance, skill development, and placement opportunities.

ANTI-DRUG AWARENESS CLUB

The Anti-Drug Awareness Club at MIC Arts & Science College is a student-driven initiative aimed at promoting awareness about the dangers of drug abuse and fostering a drug-free environment. The club works to educate students on the harmful effects of drugs, provide support for those affected, and create a culture of health, responsibility, and social well-being on campus.

ASAP CELL

The ASAP (Additional Skill Acquisition Programme) Cell at MIC Arts & Science College aims to provide students with industry-relevant skills and training, complementing their academic education. The cell offers a range of certification courses and skill development programs designed to enhance employability and professional growth.

COLLEGE STUDENTS STORE

The College Store at MIC Arts & Science College caters to the daily needs of students by offering a variety of essential items, including stationery, toiletries, snacks, and other everyday necessities. The store is designed to provide convenience to the college community, ensuring that students have easy access to required materials without having to leave the campus.
